Re: Character Reference For Inioluwa Akinyosoye

I, Inyang Kpongette, a friend, colleague and previous tutor of the Inioluwa Akinyosoye am writing this letter to you to recommend him for the Software Developer position at your organization and can vouch for the fact that he has an impeccable character and moral values.

Inioluwa Akinyosoye has worked with me on a couple of projects for a period of just over one year since he finished his learning of software at my company Univelcity, and I have never seen him cross any character values or behave indecently with anyone. He was always respectful and friendly with the class mates as well as the staff and was a great person to have around. You can hire him without any apprehensions about his character and consider this reference as unbiased and fair.

I am sure that he will be an asset to your organization.

For any further information I can be contacted on 08031346306.

Thanking you,

Regards,

  
Inyang Kpongette.
